PROFESSIONAL SUMMARY

Full-stack & AI enthusiast with 5 real-world projects across ReactJS, Node.js, Python Flask, and GenAI/LegalBERT. Final-year B.Tech IT student at SRIT | Certified in Front-End Dev, UI/UX, Data Analytics & Prompt Engineering | Open to entry-level SWE roles.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, PHP, C, C++, Java (Basic)

Frontend: HTML5, CSS3, ReactJS, AngularJS, Bootstrap

Backend & DB: Node.js, Python Flask, PHP, MySQL

AI / ML: Generative AI, LegalBERT, NLP, Prompt Engineering

Tools: Git, GitHub, Vercel, AWS (Basic)

INTERNSHIPS

Data Analyst – Virtual Internship

Jun-Dec2024

Deloitte

- Completed virtual internship focusing on data analytics, business intelligence, and data-driven decision making.
- Gained hands-on experience with data analysis techniques, visualization tools, and deriving actionable insights from complex datasets.

Software Engineer – Virtual Internship

Oct-Dec2025

JPMorgan Chase & Co.

- Completed JPMorgan Chase's Software Engineering virtual experience program on real-world financial technology tasks.
- Developed skills in software engineering best practices, financial data systems, and built tools for data visualization.

PROJECTS

Contract Clause Extraction & Risk Flags

Dec2025- Apr2026

- Built a web app extracting legal contract clauses and flagging risk areas using GenAI and LegalBERT NLP models, classifying across 10+ risk categories with automated scoring.
- Interactive frontend for document upload, risk visualization, and clause drill-down; reduced manual contract review time by ~70% in demo evaluations.

Tech Stack: HTML, CSS, JS | Python Flask | GenAI, LegalBERT, NLP

E-Commerce Dashboard

Apr-May2026

- Responsive e-commerce admin dashboard with sales analytics, order management, product listings, and customer insights — clean UI/UX with pixel-perfect component design.

Tech Stack: ReactJS, CSS3, Figma, Bootstrap

EDUCATION

B.Tech – Information Technology

May 2027

Sri Ramakrishna Institute of Technology – Coimbatore | **CGPA: 7.12**

Class XII

May 2023

Vidya Vikashini Matric Hr Sec School – Coimbatore | **Percentage: 75.6%**

CERTIFICATIONS

- Front-End Developer – Udemy (2025)
- UI/UX Designer – Great Learning (2025)
- Data Analytics – Google (2025)
- Prompt Engineering – AWS Training and Certification (2025)
